

NEW HAVEN **BALLET**

LISA KIM SANBORN ARTISTIC DIRECTOR

Due to the impact of COVID-19, we have received a number of inquiries regarding financial aid and scholarships.

New Haven Ballet offers a limited number of financial aid and merit scholarships to qualified enrollees in the Student Division for ages 5-19 years who demonstrate a deep commitment to dance. Students may only be considered for financial aid scholarships after being evaluated through a placement class and submission of an application together with all required documents, including essay (or drawing), tax filings/proof of income. Completed forms and supporting documents must be returned to NHB by August 1 prior to fall registration for consideration. All applications and financial information are kept confidential.

Financial Aid is awarded on a first come first served basis for the upcoming academic year. Applications are evaluated and awards are given in order of application submission. It is important that you submit your application materials timely to be considered. Applications are being accepted now.

Financial aid is a special gift made possible through the generosity of New Haven Ballet donors. Recipients of financial aid and their families are expected to continue this spirit of generosity through volunteer support of the Ballet's efforts and as ambassadors of the Ballet in the greater community.

NHB is also pleased to offer the New Haven Ballet Scholarship. This full tuition scholarship may be awarded to a deserving advanced level student or high school senior, who demonstrates tremendous dedication to studying classical ballet at New Haven Ballet, exhibits the highest moral and ethical standards, is kind, courteous and gracious inside and outside the classroom, and displayed significant commitment over the course of the prior year at NHB. All NHB students who: 1. are advanced level students or are entering their senior year in high school; 2. timely registered for classes or submitted financial aid/scholarship applications; 3. and have completed a full year of classical ballet training at NHB during the prior year are eligible and will be considered.

The NHB Financial Aid Application Form may be found here:
