Video Spring Performance

To ensure the health and safety of our students, this year New Haven Ballet Company will perform with the school in a spring performance with casting in small group pieces, which will rehearse in the studio and be professionally filmed. The professionally curated films will be made made available at no charge so that they may be shared with friends and family.

NHBC Requirements:

Class and rehearsal attendance, punctuality, conduct, and dress code adherence are mandatory to participate and perform. Casting for roles and performance participation is at the discretion of the Artistic Director.

Rehearsals occur on Tuesdays, Thursdays and Saturdays.

Missing more than two rehearsals will remove students from their piece.
